Functionality + accessibility.

STYLE, VERSATILITY AND VALUE.

Experience better fuel mileage than ever before with the all new Commute. Built on the Ford Transit chassis and available in both gas and diesel engines, this narrow-body powerhouse will fit into any fleet with ease. The Commute offers a sleek, narrow profile that can still fit up to five wheelchair positions. Check out the multiple floorplans and numerous upgrade options available to make your Commute unique. The wide entry door and deep entry steps, along with a wide aisle and plenty of headroom, make the Commute the most spacious shuttle bus in its class. When looking for the economical choice without sacrificing options and comfort, the Commute delivers every time. Let Glaval introduce you to the stylish and affordable, narrow-body Commute.
