moving forward together.

Functionality + accessibility.

STYLE, VERSATILITY AND VALUE.

Experience the difference of the recently redesigned Titan II including the new exterior laminated straight side wall and single piece front and rear caps. Known for its quality and longevity, the Titan II includes standards such as 5/8" marine-grade plywood, cove molding and street side exhaust. With hundreds of options and a variety of floorplans, each Titan II is built to your exact specifications and needs. The longtime, trusted Chevrolet chassis is fully undercoated to protect the bus from the most extreme weather. When quality fit and finish along with the flexibility to meet the demands of your customers if needed, the new Glaval Titan II delivers.
